

300BPAP INSTALLATION INSTRUCTIONS

This is the label over the screw connectors on the front of your 300BPAP *PageKom* compatible Page Adapter/Power Supply. Just hook up the wires from your intercoms in the order described below. When using CAT 5 or CAT3 wire use what ever color you like just make sure that the color code is carried throughout the installation.

NOTE: C 4 is common *PageKom*'s have multiple commons hook all of the commons to "C 4"
