PageKom Compatible Desk Phone  
With Speaker, Two Intercom Channels  
with Simultaneous Paging and  
Internal Speaker with Transformer

This Sleek desk unit provides two separate intercom channels for efficient operations. The Internal Speaker eliminates need for an overhead or wall speaker. Music and pages are heard clearly from the phone's speaker, the volume control lets user adjust the volume to their needs. No codes to remember, no annoying tones over the PA speakers, no computer to program and best of all easy on your budget. Simultaneous paging allows paging even when the intercom channels are in use with no interruption. The NEWEST feature is that all of our models are available in standard Ash, bold Black and raging Red..
