Aiphone MC-3 Compatible Two Channel Wall Intercom with Paging

This Sleek wall mount unit provides two intercom channels for efficient operations. No codes to remember, no annoying tones over the PA speakers, no computer to program and best of all easy on your budget. Fully compatible with *Aiphone's Market Com MC-3* system and will work with the *MC-60/4* providing only 2 of the 4 channels. Our top mounted channel selector switch is metal, sealed and guaranteed for thousands of uses. The Magnetic Hook Switch eliminates all moving parts in our cradle. This switch provides an efficient, noise free, smooth, silent hangups. A state of the art Phoenix Fixed Terminal Block provides simple, corrosion free connections. Plus - all of our models are available in standard bold Black and bright Red.
