

SC-CE2A

Atlas Soundolier Compatible Wall Mount Handset and Hookswitch Intercom/Telephone Replacement

This Sleek Chrome wall mount hanger/hookswitch/handset combo is compatible with Atlas Soundolier's CE Series and the VisiKom Telephone Visitation System. Discontinued by Atlas we can provide an exact replacement for these units. Used in many different Atlas Soundolier paging and telephone systems. Mainly used with the VisiKom system in prisons and correctional institutions as an Inmate visitation system. These hangers with handset and armor cord are durable and long lasting, made for a rugged environment.
